

Uncertain to Certain

Knowing Christ is like having a best friend who never, ever leaves you and never lets you down. He is a great encourager.

We live in a time when people say God doesn't exist. I have no time for that, I know He exists. I truly believe that there is as someone said, 'A heaven to gain and a Hell to shun.' If I'm wrong, so what, I've tried to live my life hurting no-one.

If those who don't believe God exists are wrong, they have a lot to lose. Why not give Him a chance? I'm glad I did.
